Read the text.

Hi! I'm David Clark and I live in Lancaster.

In the morning I get up at quarter to eight and have a shower. I always have breakfast with my family (my parents and my sister) in the kitchen. I usually have toast and fruit juice for breakfast.

My friend and I always go to school by bus. We usually have lunch in the school canteen. School finishes at four o'clock.

In the afternoon I play the guitar, ride my bike or play basketball with some friends. After dinner I do my homework and play computer games. I love my computer but I don't go to bed late.
